

cat_fastq
sample: 11145A.T

```
graph TD; A["cat_fastq  
sample: 11145A.T"] --> B(optitype); B --> C(all);
```

A flowchart illustrating a process flow. At the top, a dashed green oval contains the text "cat_fastq" and "sample: 11145A.T". A gray arrow points down from this oval to a rounded rectangle with a green border containing the text "optitype". Another gray arrow points down from the "optitype" box to a rounded rectangle with a red border containing the text "all".
