

cat_fastq
sample: 118562.T

```
graph TD; A["cat_fastq  
sample: 118562.T"] --> B(optitype); B --> C(all);
```

The diagram is a vertical flowchart. At the top is a dashed green oval containing the text 'cat_fastq' and 'sample: 118562.T'. A grey arrow points down from this oval to a red rounded rectangle containing the text 'optitype'. Another grey arrow points down from the 'optitype' box to a green rounded rectangle containing the text 'all'.
